Consent to complete Credit and Fraud Prevention Searches, please read this section carefully.

As part of your finance application, Kennet and/or a finance company from our panel of lenders will check personal and business records with credit reference agencies. This could place a search on your personal credit file, which may be seen by other lenders. In providing the personal information requested, you consent to searches on yourself and your fellow directors/ partners (if applicable) and where required re-searches due to the finance quote expiring.
