Entry requirements matter here. **This qualification asks for a Level 3 in Beauty Therapy.** Focus Awards have amended the pre-requisites for their Level 4 aesthetic qualifications and may now consider CPD and sector experience in place of a formal qualification, decided case by case. Talk to us before you book and we will tell you honestly where you stand.

Taking more than one qualification? **Book them together as a package and the whole package comes down by 10%. Packages start at £1,437.30.** You take exactly the same qualifications, assessed the same way, and receive a separate Focus Awards certificate for each one.

Fee correct at August 2026 and may change. This sheet is a summary; the full qualification specification is published by Focus Awards. You can check any qualification number free of charge on the Ofqual public register at register.ofqual.gov.uk.
